 **RAB Capital ups stake in Stratex International**

Friday, September 7, 2007, 11:47 AM

RAB Capital, the resource focused hedge fund, said it had increased its position in Stratex International.

Stratex is focused on predominately gold exploration in Turkey, in particular on its discovery, the Inlice Gold Project, which to date has returned encouraging widths and grades of gold mineralisation.

RAB now holds 13.82% of Stratex, or 32.35 million shares.
